Open Work Space: Just need a quiet space to work? We're opening Program Space 1 at scheduled times for just that. Bring your work here and enjoy a quieter space inside the library. We'll have tables and chairs set up for work stations. No phone calls or video calls, please. Food and drink is allowed in this space, but we ask that you be respectful of the space and be careful not to spill. Availability of laptops to borrow in the room is our next goal! Keep an eye out for the June schedules with even more Open Work Space times.
