1000 Books Before Kindergarten – One thousand books? That seems like way too many, right? Not at all. You got this. It doesn't matter if your child is three, or just three months - there's no better time to start than now! The goal is to work reading aloud into your regular routine, and let the magic of stories do the rest. Get started today at fcl.beanstack.com or with the free Beanstack app!
