Program Details

Community Garden Work Groups: Join us in the community garden to work our plots, water, and work together to make our garden beautiful. It’s a great time to socialize, learn from each other, and beat the heat! Children welcomed with adult supervision. Shawn, the Garden Programmer, will be on hand to help and answer questions.

Seed Packing Parties: Learn how we catalogue and package seeds for our seed library (Arkansas’ oldest seed library) and help keep our seed cart stocked and organized. Fun for individuals and families. Children welcomed with adult supervision. A great educational experience for all.

Sweatin’ To The Oldies With Shawn: Get your sweat on with Shawn while listening to upbeat oldies music in the garden. Bring plenty of fluids and remember to take breaks. Children welcomed with adult supervision.

Food Literacy 101: What does food literacy mean to you? Join us on August 7, 22, 27, 28 to discuss food literacy and learn how to make more conscious food choices to benefit our health, environment, and community. ** Please note the location depending on the date ** Conway will be in the Community Garden behind the library.

Seed Harvesting Workshop: Learn the basics of seed harvesting and see examples of how we save seeds from some of the more common plants in the garden.

Seed Swap: Bring your harvested seeds and exchange seeds with your fellow gardeners. It’s also a great time to donate your seeds to the Faulkner County Seed Library.

Community Cookout: Join us for a cookout in the library garden! Enjoy outdoor games and activities, a StoryWalk™, snow cones, and fun with the library community.
