

Program Details

Group Gardening: Join us as we tend our plots and care for the community garden. It's a great time to get your volunteer hours in by helping us keep the garden beautiful.

The Importance of Bees: The Ozark Foothills Beekeepers Association will host a presentation on the importance of bees in our environment and what you can do to ensure their future and ours!

Grounding In The Garden: Grounding is more than a physical act, it's a return, an exchange with Mother Earth. Come experience what all this means and more!

Master Gardeners (Drip Irrigation): Learn the basics home drip irrigation systems.

Bonfire & S'mores: Join us in the garden for a bonfire and s'mores. A fun time to enjoy the garden and socialize with your fellow library patrons.

**** Weather dependent ****

Color Our World: We're celebrating our 30th birthday at 1900 Tyler and we want our friends to enjoy all the library and our community has to offer. We'll be kicking off our Summer Reading Program 2025: Color Our World and celebrating our birthday in grand style on Saturday, May 31! Events will be from 10:00 am to Noon and 1:00 pm to 4:00 pm.

**** Children MUST be accompanied by an adult for all programs ****

Did you know we have a community seed bank? We are home to Arkansas' oldest seed library! Patrons may take seeds home for their personal gardens (or use them in the community garden). Ask the front desk how it works.

Want to volunteer? Ask about helping pack seeds to help maintain our seed library and seed cart, or helping in the community garden.

Please contact Shawn "The Garden Guy" for more information.
