Program Details

Group Gardening: Join us in the community garden to work our plots, water, and work together to make our garden beautiful. It's a great time to socialize and learn from each other. Children welcomed with adult supervision.

Shawn, the Garden Programmer, will be on hand to help and answer questions.

Rock Painting In The Garden: Have fun exploring the garden and creating your own special artwork. **** Weather dependent. Some activities may be moved indoors. ****

Master Gardeners Present - Holiday Garden Decorating: The Faulkner County Master Gardeners will share fun crafty garden-themed decorating ideas for the holidays. Everyone will get to create something to take home.

Fire Pit & S'mores Night: Join us in the garden for a bon fire and s'mores. A fun time to enjoy the garden and socialize with your fellow library patrons. This month's falls on Halloween! Costumes are encouraged :)

**** Weather dependent ****

Nature Therapy: This program will introduce you to nature therapy and show you how it works, helping you discover how this might be the support tool you're looking for. **** Weather dependent ****

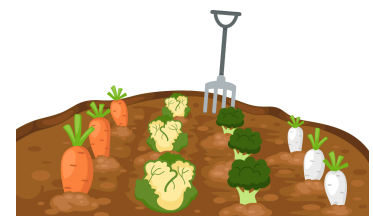

Art Jam 2025: Visit our booth at the Greenbrier Art Jam in Matthews Park in Greenbrier. We'll have lots of information about what's going on at the Faulkner County Libraries along with fun crafts for the kids and the young at heart. Visit the GAAC website for more details: <https://www.greenbrierarts.org/event-details/art-jam-2025>

Free Food Distribution: If you need food, come to the West side of the library on Sunday evenings at 7 pm. No requirements, no questions asked. **** The last Sunday of the month food distribution will be held at different locations to ease transportation concerns for those in need. Check the AR Community Advocates Facebook page for information.**

Did you know we have a community seed bank and library?

We are home to Arkansas' oldest seed library! Patrons may take seeds home for their personal gardens (or use them in the community garden). Ask the front desk how it works.
