Program Details (All outdoor programs are weather dependent! Please check our online calendar.)

Ask A Master Gardener: Faulkner County Master Gardeners will be in the library to answer all your plant and tree related questions. Free soil sample kits will be available. You can bring in clippings of unhealthy plants and they can help diagnose your problem and suggest solutions.

Group Gardening: Join us as we tend our plots and care for the community garden. It's a great time to get your volunteer hours in by helping us keep the garden beautiful.

Master Gardeners Teaching Garden: Each week, the Master Gardeners meet in their new teaching garden behind the library. Stop by with questions and get hands-on learning experience. All are welcome.

Meditation In The Garden: Please see the Adult Program Calendar for details.

Community Cookout: Kick off summer with us behind the library. We will have a BBQ and family fun. All are welcome. See the Adult Program Calendar for details.

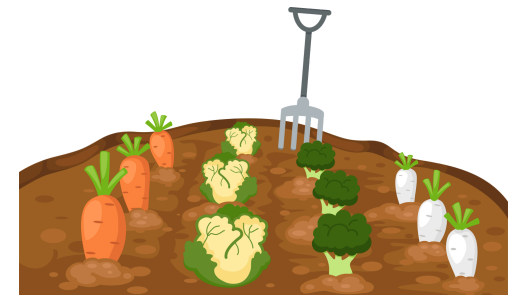

Taste Test Kitchen: We will be crafting tasty treats with produce grown in our very own library community garden. See the Youth Services Program Calendar for more details.

**** Children MUST be accompanied by an adult for all programs ****

Want to volunteer? Ask about helping pack seeds to help maintain our seed library and seed cart, or helping in the community garden.

Please contact Shawn "The Garden Guy" for more information.

Did you know we have a community seed bank? We are home to Arkansas' oldest seed library! Patrons may take seeds home for their personal gardens (or use them in the community garden). Ask the front desk how it works.
