Reading Dragons

Reading Dragons & Friends is an ongoing reading challenge and collectable card game for school age kids & teens (grades K-12). To begin, you will receive a starter set of Dragon cards and a reading tracker. As you spend time reading, you will begin to earn new cards, which are released monthly. In September, only reading trackers and starter cards will be available for pick up in the Children's Room. New character cards will begin being unveiled on a monthly basis beginning in October!
